Mohan Babu University, established by the Andhra Pradesh State Legislative Assembly as a state-private university, originated from the prestigious SreeVidyanikethan Engineering College. It has its roots in the esteemed history of the SreeVidyanikethan Educational Trust (SVET), guided by the distinguished Dr. M Mohan Babu. The university has been ranked in the 201-300 band in the NIRF Rankings and achieved a noteworthy position in the 51-100 band for NIRF Innovation Ranking. Its academic prowess is further validated by the coveted Diamond band in the QS-IGauge. The university holds prestigious accreditations, including NAAC A+ and NBA Accredited Programs, with a platinum category distinction in the AICTE-CII survey.

In the esteemed SII Green Rankings of 2023, Mohan Babu University secured its position among the top 20 universities in India. The university's strong ties with over 110 MNC recruiters facilitated an impressive 1800+ placement offers for students during the academic year 2025-26.

During Mohan Babu University placements, two students secured lucrative INR 60 LPA offers from Google, one student received an INR 44 LPA offer from Amazon, and another landed a prestigious offer from Yugabyte. Notably, four students were offered INR 29 LPA by Amazon, underscoring the exceptional qualifications of Mohan Babu University graduates.

The University has collaborations with top 100 universities worldwide, including the Penn State University(USA), University of Wisconsin (USA) and RWTH Aachen (Germany). These international partnerships facilitate student exchange, study abroad and joint degree programs, enhancing the overall educational experience.

Facilities at Mohan Babu University include a central library with an extensive collection of 142,512 volumes, 21,504 titles, and 8,125 journals. The campus, spread across 100 acres and secured with CCTV surveillance, features future-ready labs and a 5-star rated hostel, creating an ideal environment for learning.

Embracing a research-driven teaching pedagogy, Mohan Babu University is exemplified through initiatives like the V-hub Innovation Centre, AICTE-IDEA Lab and 30+ research labs. The university has a publication of 175+ patents and over 1500+ papers by faculties indexed in Scopus/WoS. Moreover, the vibrant campus life at Mohan Babu University is further enriched by 65+ hobby clubs.

MOHANA MANTRA

Mohana Mantra is the flagship annual Techno-Cultural Festival of Mohan Babu University, where technology meets artistry and innovation blends with culture. A celebration of limitless creativity, this festival attracts over 15,000+ students from top universities, making it one of the most anticipated college fests in South India. With a thrilling mix of 100+ electrifying events, Mohana Mantra provides a grand stage for students to showcase their skills in technology, performing arts, literature, and innovation.

Whether you're a tech enthusiast, an aspiring artist, a music lover, or a competitive performer, Mohana Mantra has something for everyone. The festival is packed with high-energy competitions, expert-led workshops, mind-blowing performances, and adrenaline-pumping entertainment—promising an unforgettable experience for all attendees.

Technoholic – The ultimate tech playground! Compete in coding hackathons, AI battles, robotics face-offs, gaming tournaments, and innovation challenges to prove your mettle in the world of technology.

Kalakshetra – A spectacle of creativity that brings together the best in music, dance, fashion, and art. Witness breathtaking performances, drama productions, fashion showcases, and much more!

Pro Nite – The grand finale of Mohana Mantra! Brace yourself for electrifying live performances by top artists, DJs, and music sensations. Dance the night away in a spectacle of sound, lights, and energy like never before.

As the heart and soul of student life at MBU, Mohana Mantra is not just a festival—it's a movement of passion, innovation, and boundless creativity. With its perfect blend of technology, culture, and entertainment, it offers students an opportunity to learn, compete, and celebrate like never before.

Join us at Mohana Mantra and be part of an unforgettable journey!

UNITED BY ART. INSPIRED BY CULTURE.

GLIMPSE INTO THE LEGACY OF MOHANA MANTRA- SINCE 2013

From its debut in 2013, Mohana Mantra has delivered eight spectacular editions, growing into one of South India's most celebrated techno-cultural fests. Launched with the vision of fostering innovation, creativity, and talent, it has been a platform for students to compete, collaborate, and celebrate across diverse domains.

With each edition, Mohana Mantra continues to elevate the experience, bringing new themes, bigger performances, and grander competitions. As we gear up for Mohana Mantra 2025, get ready for an unforgettable journey of knowledge, talent, and celebration!

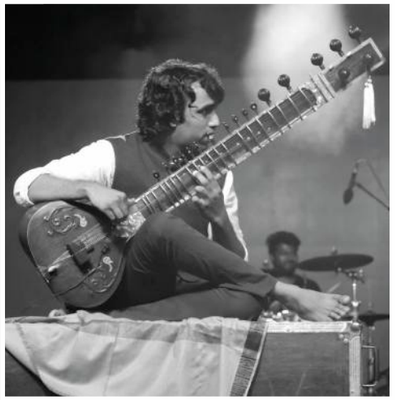

KALAKSHETRA

A grand celebration of classical art forms, traditional heritage, and cultural roots where artists showcase timeless performances.

Live Open Mic

Platform for spontaneous performances in music, poetry, or comedy.

Band Battle

Musical showdown between bands showcasing creativity and performance.

Fashion Show

Creative runway event displaying style, design, and cultural trends.

Choreo Challenge

Dance competition highlighting choreography, rhythm, and stage presence.

MM Cultural Team

University cultural troupe presenting traditional and modern performances.

Debate

Intellectual contest of arguments, logic, and persuasion on contemporary issues.

Standup Comedy

Humor-filled stage act featuring witty jokes and storytelling.

TECHNOHOLIC

Cutting-edge competitions and workshops showcasing artificial intelligence, cybersecurity, and generative creativity.

HackSprint

Rapid coding marathon solving real-world problems with innovative AI-driven solutions.

GenAI Studio

Hands-on workshop creating generative AI models for art, text, and design.

Cyber Shield Bootcamp

Training program on cybersecurity defense, ethical hacking, and digital safety strategies.

Engineering Challenge Zone

Hands-on engineering contests testing design, mechanics, aerodynamics, and technical precision.

Rocket Rush

Build and launch model rockets testing aerodynamics, propulsion, and design accuracy.

CAD Masters

Precision design contest using CAD software to create innovative engineering solutions.

RC Car Race

Remote-controlled car competition emphasizing speed, control, and mechanical design.

EV Future Mobility

Workshop on electric vehicle technology, sustainability, and future transportation innovations.

DroneX

Drone-building and piloting challenge showcasing aerial robotics and real-world applications.

LifeSaver Lab

Practical training in medical technology, emergency response, and life-saving innovations.

VR Arena

Immersive virtual reality gaming experience with competitive challenges.

eSports Championship Arena

High-energy multiplayer gaming tournament featuring popular eSports titles.

Industry Innovation Showcase

Platform for companies to present breakthrough products and solutions.

Tech Expo

Exhibition of cutting-edge technologies, startups, and industry innovations.

Bull & Bear Trading Challenge

Simulated stock market competition testing financial strategy and trading skills.

FUN EVENTS

Lighthearted activities including food festivals, sports, adventure games, and artistic showcases.

Treasure Hunt

Puzzle-solving adventure across campus with hidden clues.
